Whites Living Again What Whites Biologically Are instead
of Cattle in the Criminal Control and Criminality
structures of Recorded History

FRANK COREY

White history has two epochs: the ions before recorded history and the 5,000 years of recorded history. Whites evolved according to Resumption in homogeneous civilizations before recorded history. Resumption is embedded nature and characteristics Whites evolved living according to nature. Resumption forms White Biological Entity and not what has been imposed on Whites in the conquered and controlled structures of recorded history.

Recorded history in the White world is perpetuating top-down criminal control and criminality structures and not perpetuating Resumption structures of governance. The United States, Canada, Germany, and other White civilizations are jewing gulags: conquered and controlled White civilizations in the process of being destroyed by invader Jews helped by a percentage of traitorous Whites.

White civilizations are homogeneous White. Governance in White civilizations is locally based. A White civilization is a collection of locally-based White entities that come together to form county, state, and national governance every four years. In this time of the evolutionary move Resumption, the legitimate White governments across the White world is White males who have earned warrior messages according to RESUMPTION, RESUMPTION FOREVERMORE and are about RESUMPTION, RESUMPTION FOREVERMORE.

INTRODUCTION

In the eons before recorded history, Whites lived unconquered in homogeneous civilizations. Whites evolved according to Resumption. Whites living according to Resumption are living according to the immutable laws of nature, White characteristics evolved according to nature, and as force entities of Resumption that make today and tomorrow in homogeneous White civilizations. Resumption has been absent in the White world in recorded history except in isolated areas and for limited periods of time. In recorded history, White civilizations became conquered and controlled by criminal Whites who established themselves as perpetuating aristocracy (elites) in recorded history. The body of Whites became slaves/serfs in perpetuating structures of criminal control and criminalities that continue to this day.

Recorded history is not Whites and their flowering. Only Resumption is Whites and their flowering. The White way is not elites and serfs. The White way is egalitarian, homogeneous White civilizations of normal Whites. Performance is definition. Leaders are chosen from local Whites by local Whites that deliver the warrior messages that destroy today's jewing gulags. Local White areas are perpetuating, individual, and the foundation of White civilizations. Because of the size of White civilizations, a White civilization is a collection of local White areas. Control permanently lies with local Whites that deliver the warrior messages that destroy today's jewing gulags. Elections are held every four years.

The White aristocrats of recorded history allowed the parasitic non-White species Jews into their White civilizations, protected the Jews, and partnered with the invader Jews. Jews have been an established, cohesive jewing force for all of the common era in White civilizations. Jews have taken over from the traitorous Whites in running White civilizations. Jews and jewing are the driving and controlling engines of corruption and destruction in the United States, Canada, Germany, and other White civilizations in the twenty-first century. Jews are aided by traitorous Whites.

Animals function according to their biology—different biology different performance. Jews subvert and invert the eternal forces. Jews are not people of the eternal forces but people of jewing. Jewish mythology describes Jewish Biological Entity. Jewish mythology: there is a god of Israel; the god of Israel made the world; the god of Israel decreed that Jews are to rule the world; non-Jews are inferiors who are on planet earth to serve Jews; the wealth of the planet belongs to Jews; the god of Israel left it

up to Jews to determine how the world is to work. The jewing that there are not two sexes but dozens and dozens of genders is an example of his.

RESUMPTION, RESUMPTION FOREVERMORE is an evolutionary move by biologically functional Whites across the White world destroying the invader Jews, their jewing, traitorous Whites, and the structure of criminalities and criminal control in White civilizations and reinstalling Resumption in the United States, Canada, Germany, and other White civilizations across the White world.

Whites live succumbed to jewing. Jewing is depressing, freakish, and destructive. Every White is to know and be of Resumption both for survival and quality of life.

Recorded history in the White world is top-down, criminal control and criminality structures. The body of Whites are essentially cattle in perpetuating criminal control and criminality structures. The criminal control and criminality structures have and have had total control. Whites know what has been thrust on them and what has been thrust upon them is not truth. For the first time in history, because of technology Whites can now know the truth and Whites can now disseminate the truth throughout the White world. Whites are empowered. White men must be force entities of Resumption again according to truth and destroy the jewing gulags that control them and reinstall Resumption.

Normal Whites are force entities according to Resumption. Resumption is the foundation of a White civilization. Every White performs in a structure of Resumption and benefits from a structure of Resumption. One White male may be a warrior of Resumption. Another White male may be of Resumption in commerce. Resumption is an imperative for every White male and every White female either as part of the Warrior and Administrator Class of Resumption or the Commerce Class of Resumption.

The United States, Canada, Germany, and other White civilizations are jewing gulags. Americans, Canadians, Germans, and other Whites live out White criminalities and jewing that have been imposed on them where the control structure is jewing gulag and recorded history corruption. Not thinking and performing in terms of Resumption, the only solution to the predicament Whites find themselves in, is making for difficult lives for Whites and is destroying Whites. Whites must think Resumption to survive and prosper; every White is to be a functional of Resumption. If White males deliver the warrior messages, perform as warriors of Resumption, Jews and White criminals are destroyed, the corruption that is endemic in recorded history is destroyed, and Resumption is the life that Whites will have.

White Resumption civilizations are protected and administered by local, loyal, homogeneous, warrior Whites in local communities cooperating with other local, loyal, homogeneous warrior Whites in other local communities to protect and administer one homogeneous White civilization.

White civilizations have a homogeneous, White biological basis. Non-Whites cannot be in Resumption civilizations and do not own or control any part of White civilizations. In White civilizations, control is in local, warrior Whites that destroyed today's jewing gulags and reinstalled Resumption and their descendants. This never changes. Because of large White populations, there is a step process of governance. Using the United States as an example, the step process of governance is from the local, to the county, to the state, to the national repeated every four years.

In a White civilization there is a Warrior and Administrator Class, and there is a Commerce Class. The Warrior and Administrator Class is the governance class. White males became part of the Warrior and Administrator Class by delivering warrior messages to Jews, White traitors, and invaders. The Warrior and Administrator Class is composed of warriors of Resumption 90% and writers/bloggers of Resumption 10%. In this time of the evolutionary move Resumption, White males are determining their place in either the Warrior and Administrator Class or the Commerce Class.

In the ions before recorded history, Whites lived in small, homogeneous, independent groups according to the eternal forces (nature) and the characteristics of evolved White Biological Entity. With the introduction of agriculture, local groups of thousands were cobbled together by one figure and his band of men. The one figure called the shots, and everyone else became serfs. A perpetuating criminal control and criminality structure doing what it has a mind to do became the structure of governance. This marked the beginning of recorded history. This is the structure that continues to this day. Today the United States, Canada, Germany, and other White civilizations are not autonomous White civilizations functioning according to the eternal forces (nature) and the characteristics of evolved White Biological Entity but are conquered and controlled jewing gulags.

A perpetuating structure counter to Resumption is in place in the United States, Canada, Germany, and other White civilizations. This is the story and tragedy of recorded history. Since what is done is counter to the eternal forces (nature), it makes for difficult lives for Whites and is terminal for Whites and White civilizations. In the biological response to the conditions imposed by the jewing and White traitor criminal control and criminality

structures on normal Whites, Americans and other Whites are engulfed in the biological eruption RESUMPTION, RESUMPTION FOREVERMORE.

The world is mathematical. The world would not be possible if there were not immutable realities that determine. The mathematical controls and always plays out over time. Jewing is the perversion of the mathematical. Jews and their jewing are whirlwinds of destruction wherever Jews have presence. Americans, Canadians, Germans, and other Whites have been conquered and are controlled living jewing and White criminalities in jewing gulags. Whites are enduring difficult lives that don't have to be and are destroying themselves and their civilizations by living jewing and not living Resumption. Every White is to live in a personal way as a working Resumption force. Whites are to know; Whites are to do. Technology has put truth at the fingertips of every White. Every White is responsible and accountable.

In recorded history, White criminals by physical force took control of their White civilizations and turned them into criminal control and criminality structures. Nature was turned upside down. The White criminals welcomed Jews, non-White parasites and invertors of the eternal forces, into their White civilizations and partnered with them. Jews were a sacrosanct entity just as the criminal Whites were a sacrosanct entity. The Jews wrestled control of the White criminal control and criminality civilizations from the White criminals and turned them into jewing gulags. The hellhole that the Jewish cabal has turned the United States into has been repeated by the global Jewish cabal in Canada, Germany, and other White civilizations.

Traitorous Whites are biological freaks. No normal White betrays their people and their civilization. Traitorous Whites are as much enemies of their fellow Whites and their White civilizations as Jews are and are to be exterminated and their property confiscated without remuneration of any kind just as the Jews are to be exterminated and property in their possession confiscated without remuneration of any kind.

When the criminal element in White civilizations established themselves by physical force as the perpetuating royalty of their White civilizations, the criminal element forced their criminalities on the civilization and stamped out historical knowledge and historical traditions in Whites. Add in, Jews and their jewing have been a sovereign fixture in the White world going back to Roman Times and before. Whites have lived essentially all recorded history with little to no handle on what they are, what they have to be, and how

White civilizations are to function. Whites have been functionally crippled by what criminal control and criminality structures have inflicted. This has been the problem of centuries until the internet made truth universally accessible. Criminal control and criminality structures no longer can keep truth from Whites. Whites have to seek out the truth, but truth is knowable. Whites can now know what they are and can know Resumption. Whites can know that they are the force that constructs today and tomorrow. Whites can understand that they have been conquered and are controlled, that traitorous Whites are to be exterminated, that Jews are to be exterminated, that all other non-Whites must leave, that all jewing is to be removed, that White civilizations are and can only be Resumption structures and never jewing gulags, and that the White way of thinking and living is the only way for White civilizations.

A White from the dawn of recorded history would not stand out in a group of Whites today. Whites are their biological entity; Whites are Resumption. Whites are not jewing. Before recorded history, Whites evolved White-specific physical characteristics, White-specific mental characteristics, White-specific emotional characteristics, White-specific innate knowledge living according to the eternal forces in homogeneous White civilizations in their exclusive territory before recorded history. Scientific, social, cultural, political, economic are wired in Whites. Whites are a composite of the eternal forces and the characteristics Whites evolved over time living according to the eternal forces. The biological core of Whites is not criminality, and the biological core of Whites is not jewing. The biological core of Whites is Resumption. Whites must be the force of Resumption to survive and have secure, prosperous, and fulfilling lives.

Whites evolved observing the world around them and fashioning their thinking and their lives around the way that the world worked and developing better ways of living according to the way that the world worked. Whites lived as the force that makes today and tomorrow. Whites evolved the characteristics of living truth, neverending quest for truth, honesty, honor, self-discipline, responsibility, accountability, contribution, benefit, cohesion, loyalty for these characteristics contribute to individual and civilizational fitness and benefit. Americans, Canadians, Germans, and other Whites biologically are force entities of Resumption living conquered and controlled in jewing gulags. Whites must erupt and live White normalcy to survive and prosper.

Adverse conditions precipitate performance. Opportunity precipitates performance. The only issue is how the individual White defines himself in this time of the evolutionary move Resumption. Whites are group animals. In nature, group animals are force for themselves and for their group. Every functional animal is a self-propelling force that performs proactively according to what has been genetically-wired in the animal. White men are the warriors who will destroy today's jewing gulags and install Resumption. White women are constancy of feminine who fill a home and the lives of husband and children with warmth and tranquility and resolve. Children and daddy are comforted, replenished, and invigorated. In this time of the evolutionary move Resumption, greatness and fulfillment beckon and await White women as greatness and fulfillment beckon and await White men.

White civilizations evolved egalitarian, open, responsibility, accountability, contribution, benefit. Performance emanated from every White in the cohesive whole of their civilization. Every White functioned as an aristocratic ideal. The aristocratic ideal serves the individual White and the White civilization. The aristocratic ideal is individual and civilizational fitness. If Whites in pre-recorded history hadn't performed as aristocratic ideals in the northern climates, Whites and White civilizations would not have survived, and the Whites of today would not exist. Every White is a descendant of the aristocratic ideal. All Whites today are descendants of greatness. This is the time of the evolutionary move Resumption. This is the time for individual Whites to erupt the greatness that is in them and be part of the tsunami Resumption.

Whites entered recorded history with characteristics and structures that are harmony with the eternal forces. Whites can continually live and continually evolve. Jewing gulags have Whites living jewing. Whites are wired according to the eternal forces and the evolved characteristics of White Biological Entity. Whites are not wired according to jewing. Jewing is repugnant to Whites. Whites are naturally proactive and evolved to do what is beneficial for themselves, their loved ones, and their White civilization. At the same time, Whites are calculating. Whites are not given to forlorn adventures. There has to be a solution for Whites to act. However, Whites will prepare for dealing with problems. Millions of American men have been doing just this. Now that Resumption, the only solution to the situation Americans finds itself, is formally laid out in the document RESUMPTION, RESUMPTION FOREVERMORE, countless warrior messages by countless American men will

be delivered across the United States to Jews, traitorous Whites, and invaders. Countless American men will be warriors of Resumption, and countless American woman will be supportive of their spousal warriors in this time of the evolutionary move Resumption.

The delivery of warrior messages by White warriors will continue until jewing gulags are destroyed, every traitorous White and every Jew are terminated, and all other non-Whites have either left or have been terminated. Then warriors at the local level will establish Resumption governments at the local level and will combine with warriors from other local levels to establish Resumption governments at the county, state, and national levels. No traitor can ever have a place in the civilization and among the people of the civilization he worked to destroy. However, there is a window of opportunity before Resumption governments are in place for traitorous American Whites to undo their treasonous actions and become part of the coming American Resumption civilization. The time frame for undoing treason ends when Resumption governments are installed at the local, county, state, and national levels. Only if there is complete undoing of treasonous acts can an American who was a traitor or the offspring of a traitor/s have a place in the coming Resumption civilization.

Resumption is an evolutionary move that destroys Jews, other invaders, traitors, jewing gulags, and establishes Resumption structures in the United States, Canada, Germany, and other White civilizations. These Resumption structures will provide secure, prosperous, and fulfilling lives for Americans, Canadians, Germans, and other Whites and will serve as pathways for Americans, Canadians, Germans, and other Whites to construct and live ever better and more fulfilling lives in their homogeneous, egalitarian, local control, eternal forces and evolved White Biological Entity civilizations.

Chapter 1: Moral and Immoral

Moral is what is according to the determining forces (eternal forces) of the universe. Immoral is what is not according to the determining forces (eternal forces) of the universe. To be of the determining forces (eternal forces) of the universe is to be moral. To not be of the determining forces (eternal forces) of the universe is to be immoral. The determining forces of the universe are the eternal forces (the iron laws of nature). Jewing is the perversion and inversion of the eternal forces (the determining forces of the

universe). To be of the eternal forces is moral. To be a Christian, which is jewing—the perversion and inversion of the eternal forces, is immoral.

Jews concocted Christianity. Christianity is jewing. Given what is known about history, about hard science, and the numerous proven fictions and contradictions of the Bible, there is a world of truths prohibiting Whites from being of the jewing Christianity. Being a Christian for a White is being willfully immoral and willfully being a force for the destruction of Whites and White civilizations. For a White, being a Christian is treasonous.

If Americans and other Whites weren't born into Christianity in criminal control and criminality structures but were born in White civilizations functioning according to Resumption, Americans and other Whites would not be Christians and would be contemptuous of Christianity just as their ancestors were before Christianity was forced on their ancestors by White criminal control and criminality structures that governed their lives.

Christianity flies in the face of what Whites are and what Whites have to be. Assume that there is an afterlife of heaven and hell as proffered by the jewing Christianity. In that afterlife there are no Christians; there are only eforcesists (e-forces-ists), those that lived according to the determining forces of the universe (the eternal forces). Whites who were Christians are in hell for they lived jewing. Whites who were eforcesists are in heaven. Morality as well as normalcy in Whites is living according to the eternal forces of the universe and not living according to the jewing Christianity. For a White, being a Christian is living jewing and not living the eternal forces. For a White being a Christian is betrayal of loved ones for inflicting on loved ones what is destructive of loved ones and betrayal of one's White civilization for inflicting the destructive jewing Christianity on one's White civilization. For a White, Christianity is treason. Whites who are Christian are treasonous.

Whites are born and raised in different sects of the jewing Christianity—Baptists, Catholics, Evangelicals, and others. They are all jewing. Going forward there is no jewing Christianity either individually or organizationally as Baptists, Catholics, Evangelicals, and others. Going forward, Whites are united as Whites according to the eternal forces and the evolved characteristics of White Biological Entity.

END CHAPTER 1: MORAL AND IMMORAL

CHAPTER 2: RECORDED HISTORY

Whites and White civilizations evolved living according to nature in their homogeneous civilizations in the ions before recorded history. During this time Whites evolved a combination of White-specific characteristics and characteristics shared with other humanoid species. The biology of specific animal species governs the mental processes and performance of the specific animal species. Today, Americans, Canadians, Germans, and other Whites are not living White in a White structure but live conquered and controlled in jewing gulags. A jewing gulag is a criminal control and criminalities structure run by Jews according to jewing aided by traitorous Whites.

Before recorded history, Whites lived in small, homogeneous, egalitarian groups. Everyone knew everyone, and everyone knew what was going on. Performance, responsibility, and accountability were required of everyone. Every White was a working part of the group. Every White benefited by being a working part of their civilization. Because Whites are egalitarian, leaders were not hereditary but were selected by the group in each generation because that person was best equipped to lead in that generation. Whites are about finding out the way things are and using that knowledge for their betterment. Whites are workers and about building better lives for themselves.

Egalitarian, homogenous groups where everyone lives according to the eternal forces and the evolved characteristics of White Biological Entity is the foundational structure of White civilizations. It is a nature structure. This is how Whites lived in the ions before recorded history. This foundational structure of White civilizations can never change. What can change and has changed is the explosion of White populations. The explosion of population necessitates a step process of governance from local White units of governance to one national White unit of governance at a defined interval. Four years is the term in the United States. It could be a longer or shorter term. There is periodic reselection.

Enter recorded history with its emergence of agriculture. Groups of thousands emerged. Criminals in the groups of thousands by physical force took control of the groups of thousands and set themselves up as perpetuating elites. The structure of nature was eliminated. The body of Whites lost the structure they had for ions to control their affairs, to live according to the structure of nature, to evolve continually within the structure of nature and the evolved characteristics of White Biological Entity. The body of Whites were relegated to the status of cattle where a small percentage of criminal Whites forced biologically normal Whites to live

criminalities and not live according to the eternal forces and characteristics Whites evolved living according to the eternal forces. Criminal control and criminality structures continue to this day. In the twentieth and twenty-first century centuries, the United States, Canada, Germany except for the National Socialism governance period, and other White civilizations have been and are jewing gulags. Americans, Canadians, Germans, and other Whites are conquered and controlled living in jewing gulags according to jewing. Living jewing in jewing gulags is living out a process of self-immolation. Such is the situation that Americans, Canadians, Germans, and other Whites are living out in 2025.

The world is mathematical. The world would not be possible if there weren't eternal forces determining how things are. Aberrations from the eternal forces may go on for a time, but aberrations inevitably cease to be. At the end of the day, only the eternal forces and what is of the eternal forces are.

In pre-recorded history, Whites evolved a structure to survive and evolve. Recorded history destroyed this structure and corralled Whites and forces Whites to function as cattle according to criminalities. This document of Resumption is restoring in recorded history what was done in pre-recorded history. It posits a system of nature control run by local normal Whites living according to the eternal forces and the evolved characteristics of White Biological Entity.

A White civilization is a homogeneous White civilization and can only be a homogeneous White civilization. Every White is to have a secure and prosperous life in their homogeneous White civilization. White civilizations evolved where every White is an integral part of his civilization, the abilities of every White are developed, every White contributes, every White benefits, every White is loyal, every White is responsible, every White is accountable.

In the twentieth and twenty-first centuries, the United States and other White civilizations are jewing gulags. They are conquered and controlled and are being plundered and destroyed. Lack of performance according to nature and not being the embodiment of nature and the evolved characteristics of White Biological Entity is destroying Whites. Whites live succumbed to criminal control and criminality structures and that is self-immolation. Every White must be force for the existence and protection of their civilization and force for living the eternal forces and the evolved characteristics of White Biological Entity. Resumption is what Whites biologically are and must live again to survive and have secure, prosperous, and fulfilling lives.

In a normalcy White structure, White civilizations are forces of Resumption based at the local level. What happened in recorded history is that the evolved structure of governance of ions was eliminated by criminal control and criminality structures that continue to this day. Jewing gulag has delivered horror by Jews, other invaders, and criminal Whites. RESUMPTION, RESUMPTION FOREVERMORE articulates Resumption. It is the unchanging Constitution going forward. Going forward everything is Resumption and nothing is jewing. This enables White performance. When White men be what biologically White men are under the banner of RESUMPTION, RESUMPTION FOREVERMORE, Jews, traitorous Whites, other invaders, jewing gulags, and the rampant criminality of recorded history will be banished. Resumption will be reinstated.

Jews are a different species from Whites. Whites are workers and live among themselves. Jews are parasites and so essentially live among other peoples. In addition to being parasites, Jews have an absurd theological bent destructive of peoples and civilizations where Jews have a presence. Jews need a criminal control and criminality structure to operate. In a structure of functional White normalcy, Jews are exterminated. In recorded history, White civilizations are criminal control and criminality structures. Jews have been a fixture in White civilizations in recorded history.

Jews have always been able to find traitorous elite Whites that allowed Jews into their White civilizations and protected them. Jews then operate as a sovereign entity in White civilizations. Jews are a cohesive global cabal and function as a cohesive global cabal. Traitorous elite Whites across the White world established a parasitic, invasive biology in their midst controlling White civilizations and destroying White civilizations. Traitorous elite Whites are just as much enemies of Whites and White Civilizations as Jews are and are to be exterminated just as Jews are to be exterminated.

The foundation and administration of White civilizations is normal Whites at the local level living according to the eternal forces and the evolved characteristics of White Biological Entity.

Jews have been a cohesive infiltration and subversion and conquering force living according to Jewish Biological Entity in the White world going back to Roman Times and before. Jews have been extraordinarily financially, politically, and socially successful functioning as a cohesive global cabal in the criminal control and criminality structures of recorded history in the White World. This cohesive Jewish global cabal provides financial benefits, social benefits, and careers to fellow Jews. Individual Jews adhere to their

global cabal and benefit from being part of their global cabal. To be Jewish is career advantageous in finance, education, media, Hollywood, business, medicine, law, government, deviancy, pornography, drugs. This translates into a cohesive, invasive, marauding species spread throughout conquered and controlled White civilizations implementing jewing and benefiting financially and socially for doing so.

Jewing gulags control government, money, media, education, and other institutions throughout White civilizations. Whites live jewing. Thinking and living jewing cannot destroy the Jews and the jewing that are destroying Whites and White civilizations. Whites thinking and living Resumption (being functionals of Resumption) can destroy Jews and jewing and restore Resumption civilizations throughout the White world.

Every White is to be a constructive force of their White civilization. This is an imperative of nature and the evolved characteristics of White Biological Entity. This has not been the case in recorded history. In the twenty-first century, Americans and other Whites live succumbed to the jewing gulags that have conquered and control them. Whites live cattle-ized. Whites are forced to live conquered and controlled in jewing gulags, but at a personal level every White is to possess and live the encompassing foundation of their White civilization. This has not been the case in recorded history. Overwhelmingly, Whites live cattle-ized. A White civilization has an eternal forces and evolved White Biological Entity foundation according to which the White civilization functions. Every White is to be a functional of the foundation and so every White is to be a force structure of Resumption. It is also termed every White is to be a functional of Resumption.

Only the delivery of warrior messages by White warriors will destroy today's jewing gulags and reinstall RESUMPTION, RESUMPTION FOREVERMORE. Only some White males will deliver warrior messages, but every White male and every White female is to know and think RESUMPTION, RESUMPTION FOREVERMORE. Every White is to be a functional of Resumption.

In the White world, recorded history is the time of criminal control and criminality structures. With the inception of criminal control and criminality structures, what has to be and what was (Resumption) was cut out and destructive, perpetuating criminal structures with their criminalities were set in place. First it was White criminal control and criminality structures and now is Jews and what Jews do structures—jewing gulags. The United States and other White civilizations are jewing gulags. They are conquered and controlled civilizations. Jews control the government, own the media, own

the money system, and are in controlling positions throughout academia, education, Hollywood, the government, business, and other institutions. Jews and traitorous Whites implement the agenda of the Jewish cabal.

Jewing refers to the Jewish biological entity and the performance of the Jewish biological entity. Jewing is a one-word description of what Jews are and what Jews do. Jews are parasites, believe Jews are to rule the world, and believe the world is to function how Jews say the world is to function and not the eternal forces. Jews are whirlwinds of jewing where they have a presence. Jewing is controlling the thinking and the performance of Whites and White civilizations according to jewing. Jewing is parasitizing, false statements, misleading statements, statements at odds with the eternal forces, false analogies, inverting the eternal forces, stealing, suppression of truth, obfuscation, libeling, slandering. Factual statements are misleading in certain contexts and so, at times, are part of jewing. Irrelevant statements are misleading and so are part of jewing.

Jews live by corruption. Jews foster a culture of corruption where Jews dwell. Jews bore themselves into criminal control and criminalities civilizations. Once in a structure of corruption, Jews go about jewing.

Jews are parasites; parasites make things worse. Add to that, Jews have an absurd theological bent destructive of peoples and civilizations where Jews have a presence. Jews have been a destructive force in White civilizations since their arrival in White civilizations. The United States, Canada, Germany, and other White civilizations are being torn apart, looted, and destroyed by Jews aided by White traitors and other invaders.

White traitors have proven to be as destructive of Whites and White civilizations as Jews and are to be exterminated just as Jews are to be exterminated. The assets of White traitors are confiscated without payment or remuneration of any kind just as assets of Jews are confiscated without payment of remuneration of any kind.

Traitors appear in every generation and have to be surgically removed every generation by the body of normals for the survival and benefit of the civilization.

Who is adversely affected by eliminating traitors? The traitors. Normal Whites and the civilization are better off. Normal Whites and the civilization do not have continuing problems on their hands. The time and resources that would have been spent counteracting traitors are put to uses that benefit normal Whites and the civilization.

The imperative of the eternal forces (nature) is to remove traitors. Whites have no discretion in the matter.

Money is the instrument of commerce and valuation in a civilization. Controlling and issuing money is controlling a civilization. The issuing and control of money is a government function and can only be a government function.

Money is a public utility. In White civilizations, money is issued and controlled by the government, and the government is a government of Resumption. Never can there be private issuance of money in White civilizations. Private issuance of money is criminality. All the money charged for interest by the private money system is to be returned. All collateral confiscated by the private money system is to be returned.

A private money system in a White civilization is criminality, and there has to be full undoing and full restitution for all that has been done by the private money system under the gold restitution principle. Gold restitution principle: an American pays \$1200.00 in taxes that was used to pay interest on the national debt to the Jewish banking system that owns the national debt. The national debt is the product of the Federal government borrowing Jewish banking system dollars from the Jewish Federal Reserve. At the time that the taxes were paid, the price of gold was a \$1200.00 per ounce. That American is to receive one ounce of gold in restitution. The fact that the current price of an ounce of gold may be \$3,000.00 Jewish banking system dollars or \$30,000.00 Jewish banking system dollars or any other number is not relevant.

The wealth generated by Jews owning the money system in the United States has enabled Jews to buy the government, media, courts, academia, entertainment, and other areas. Interest charges for Jewish banking system dollars are incorporated into every stage of producing a product from pulling raw resources out of the earth to putting goods on store shelves. Half the cost of everything in the United States is interest charges on dollars issued by the Jewish banking system. Half of the working life of Americans is paying interest to Jews. Half of the working life of Americans is financing what Jews are doing to Americans and the United States.

There is no private money system in a Resumption civilization. All money is created by the Resumption civilization debt-free. In a Resumption civilization, Americans are not spending half their working lives putting money into the pockets of Jews and not spending half their working lives

financing their destruction and the destruction of the American civilization by Jews and traitorous Whites.

When the United States government needs money to make up for the shortfalls in government revenue, it borrows the money from the Jewish-owned bank the Federal Reserve. The money doesn't get repaid and adds up from year to year. This is the national debt. There is annual interest paid on this money to the Jewish bank the Federal Reserve. The interest paid on the National Debt in 2024 is over a trillion dollars and rising by the day. In a government that issued its own money, the yearly interest charges on a debt of the size of the United States debt would be zero. The trillion plus dollars are theft and is to be dealt with as theft. It is all to be returned in gold based on the gold restitution principle. White civilizations are eternal forces and White Biological Entity structures. White civilizations are not jewing gulags. In White civilizations, there can be no other way.

America's Jewish banking system is criminality. What has been done by America's Jewish banking system has to be completely undone with full restitution. All interest paid for dollars is to be returned. Restitution is in ounces of gold and not in dollars based on the gold restitution principle. All businesses that failed because of interest payments that were made for dollars are to be restored. All businesses that had to be sold because of interest payments for dollars are to be restored. All homes that were foreclosed because of the inability to make interest payments on the mortgage are to be returned. All compensation is to be in gold based on the gold restitution principle.

Whites and Jews are radically different species. Whites are governed by the eternal forces and are workers. Jews invert the eternal forces and are parasites. Additionally, Jews possess theological fantasies that are part of their Jewish Biological Entity: there is a Jewish god; the Jewish god created the world; the Jewish god decreed that Jews are to rule the world; non-Jews are sub-human and exist to serve Jews. Jews have functioned as sovereign, invasive, cohesive, jewing cabals in White civilizations going back to Roman Times and before. Today a cadre of global elite Jews call the shots and the rest of the Jews adhere to and implement the jewing. Individual Jews benefit financially and socially.

In the twentieth and twenty-first centuries, the United States, Canada, Germany, and other White civilizations are jewing gulags. A jewing gulag is

a criminal control and criminalities structure of recorded history. Jews control and impose jewing on these civilizations. This makes for difficult lives for Whites and is destructive of the White civilizations. If the structure of White civilizations was Resumption in recorded history instead of criminal control and criminalities structure, a biological imperative for Whites to survive and have the full lives that living White in a White environment bestows, there would be no Jews and no jewing and no criminal control and criminality structures. Whites would be living the eternal forces and their evolved biological entity in homogeneous White civilizations.

Jewing gulags are controlled and manipulated by the criminal control and criminalities structure democracy in the White world. Democracy is not a system of immutable principles of nature and its functioning, but an elite control structure of corruption. Democracy is controlling civilizations by owning the money system, controlling academia to fabricate economic, social, and political policies of jewing, financing political campaigns, bribing Whites, owning the media, Hollywood, buying government employees, compromising influential Whites. Elections serve the purpose of giving the illusion that elected politicians control White civilizations when the reality is the Jewish cabal controls the politicians in democracies. Jews, a global non-White cabal, and traitorous Whites are positioned at different levels throughout the government, media, academia, and other institutions where they implement jewing.

Since all politicians need money to run campaigns to get elected, supplying money to politicians across the spectrum is controlling the politicians across the spectrum. Since politicians need favorable publicity, controlling the media puts politicians into the pocket of those controlling the media. Jews control the media. United States illustrates democracy. There are two political parties—the Democratic Party and the Republican Party. The descriptive term for them is the Uniparty. Jews finance campaigns across the political spectrum so whoever emerges is controlled by Jews. Politicians also need promotion. Jews own the media. The media is jewing, anything Jews have a mind to say at any time. National candidates and state candidates and local candidates receive Jewish money and favorable coverage in the Jewish media by being implementors of what the Jewish cabal directs. If a White candidate is opposed to the invader Jews and what Jews do, that candidate does not receive Jewish money and is the subject of jewing in Jewish media and academia and other areas of Jewish control. That works

out that officeholders are invariably traitors of their White civilizations and their fellow Whites. Jewish judges permeate the legal system. Appointed judges are the product of a Jewish-controlled political structure. Elected judges, who are not Jewish, are typically the product of Jewish money and the Jewish media. Judges that are appointed are appointed by politicians who are the products of Jewish money and Jewish media; so the politicians appoint judges that are instruments of jewing. Not every judge in every court is that way but the judiciary typically are implementors and protectors of jewing. In this structure there is no such thing as essential principles that always apply. It is all about what control has a mind to do.

Criminal Whites in recorded history destroyed Resumption and imposed criminal control and criminality structures that White civilizations live under today and have lived under in the period of recorded history. The White criminals allowed Jews who are non-White into their civilizations and established Jews as a sovereign, invasive entity in their White criminal control and criminality structure civilizations. The Jewish cabal wrestled control of the White criminal control and criminality structures from the criminal Whites and established jewing gulags as the controlling entity. In the twentieth and twenty-first centuries, Jews—non-Whites, parasites, invertors of the eternal forces—control the United States, Canada, Germany, and other conquered and controlled White civilizations according to jewing. Jews throughout the period of recorded history have functioned as a cohesive jewing cabal according to jewing. Jewing is about controlling and marauding non-Jews and non-Jewish civilizations.

If there were no Jews in White civilizations, the problems that Whites endure daily would be substantially less. Nevertheless, it's more than the Jews. It's the jewing that is in place, its traitorous Whites, it's the criminal control and criminalities structure in place. The criminal control and criminality structure has to be destroyed and replaced with a structure that is harmony with nature and the evolved characteristics of White Biological Entity and that is a RESUMPTION, RESUMPTION FOREVERMORE structure. The governance of White civilizations has to be local control by local, normal Whites according to the eternal forces and the evolved characteristics of White Biological Entity (according to Resumption). Because of the large populations and the large areas of White civilizations, there is a step process of governance. Using the United States as an example, the step process of governance is

from the local, to the county, to the state, to the national repeated every four years.

Now is not a time for Whites to wallow in how destructive and freakish conditions are and how hopeless things appear to be and be defeatist. Living according to criminalities in a criminality structure has always been living difficulties that don't have to be and inevitable self-immolation. Besides, conditions now exist for the restoration of Resumption that have not existed previously in the United States and other White civilizations. Whites evolved according to the eternal forces over ions. Whites biologically are not jewing. Whites are the warriors on the planet. The biological is eternal rebirth. The biological is the force of nature. The eternal forces determine and not jewing. If Whites perform according to the eternal forces and evolved White Biological Entity, Resumption will come to be.

Government policy of financialization and not industrialization has essentially destroyed the industrial base of the United States. Countless companies have been destroyed, good industrial jobs have ceased to exist, and the lives that a good job would provide are no more. Lack of good jobs is a major cause of the drug epidemic. All damage done by deindustrialization is to be undone by those that instituted and benefited from deindustrialization. Every day every White has endured the effects of deindustrialization is to be fully compensated by the instigators and profiteers of deindustrialization.

Jews are not warriors. Jews are infiltrators and manipulators that need presence and protection upfront to operate. The fact that Jews are not warriors was of no import in recorded history for Jews have enjoyed physical presence and protection in the White world going back to Roman Times and before. With the eruption of White normalcy in this time of the evolutionary move Resumption, the ironclad protection of the corruption of recorded history is no more. It's a 'law of physics' that Jews will fare poorly when White warriors are hunting Jews and traitorous Whites down for warrior messages. Things will unfold in ways that are beneficial for normal Whites and the installation of Resumption civilizations and catastrophic for Jews and traitorous Whites and their jewing gulags that have not been seen in the entire period of recorded history. Whites are the warriors on the planet. If White men again be force according to the eternal forces and White Biological Entity (act White), the jewing gulags will be destroyed, Jews and White traitors will be exterminated, non-Jewish non-Whites will be removed or exterminated, and Resumption will be installed. Resumption is White

normalcy, and Resumption is harmony with the eternal forces. Normalcy is hardwired in normal Whites. Resumption is hardwired in Whites. Normalcy is erupting in numerous Whites in the jewing gulags across the White world.

END CHAPTER 2: RECORDED HISTORY

CHAPTER 3: RESUMPTION

White civilizations are homogeneous entities of people whose DNA is exclusively from the native peoples of Europe from Ireland to Russia. White history has two epochs: the ions before recorded history and the 5,000 years of recorded history. White Biological Entity was established before the dawn of recorded history. Whites are the biology of the ions of their pre-recorded history living conquered and controlled in the criminal control and criminality structures of recorded history.

The ions of pre-recorded history for Whites was a time of living according to the eternal forces (nature) and evolving White-specific characteristics that are in harmony with nature. Normalcy and functionality for a White is being force according to nature and the evolved characteristics of White Biological Entity. Every White is to be a force of White functionality (a functional of Resumption) for there to be an eternal forces and White Biological Entity civilization and not a conquered and controlled structure that Whites live under. This has not been the case in recorded history. In recorded history, overwhelmingly, Whites have lived succumbed to criminal control and criminality structures and not as functionals of Resumption. In the twentieth and twenty-first centuries, the criminal control and criminality structure in the United States, Canada, Germany, and other White civilizations is jewing gulag. Whites and White civilizations are conquered and controlled. Jewing gulags are Jews control aided by traitorous Whites in a criminal control and criminality structure functioning according to jewing.

The eternal forces (nature) operate the planet. Nature is the determiner and not jewing. Nature always prevails and what is not according to nature such as jewing is no more. Deviancy of nature destroys peoples and civilizations. This is what is happening in the jewing gulags United States, Canada, Germany, and other White civilizations. Americans, Canadians, Germans, and other Whites must live Resumption, biologically what Whites are, and not the jewing that has been imposed on them.

Because of being conquered and controlled, Whites haven't known essential truths and couldn't know essential truths, and Whites couldn't communicate

with each other. These inabilities have incapacitated Whites. Technology has changed this. Now for the first time in recorded history, Whites can acquire essential truths with a few clicks on electronic communications. Whites can communicate with fellow Whites outside of the control of criminal control and criminality structures. This enables every White to be a functional of Resumption.

White civilizations are homogeneous, egalitarian civilizations functioning according to the eternal forces and characteristics Whites evolved living according to the eternal forces in the ions of time. Every White contributes, every White benefits, criminals are removed, the most able are chosen as leaders in each generation. This structure never changes. This is a structure of perpetuating normal Whites control according to Resumption and not a structure of perpetuating jewing gulag. What has changed from before recorded history is the explosion of populations and that requires a step process of governance. Using the United States as an example, the process of governance is local, to county, to state, to national repeated every four years.

A White civilization is a collection of local White areas. In local White areas there is a Warrior and Administrator Class that administers according to the eternal forces and the evolved characteristics of White Biological Entity. Local Whites become part of the Warrior and Administrator Class by delivering warrior messages to Jews, traitorous Whites, and invaders. Today's jewing gulags will not self-destruct. White warriors will destroy today's jewing gulags and restore Resumption across the White World. Warriors form 90% of the Warrior and Administrator Class of Resumption. The other 10% of the Warrior and Administrator Class of Resumption are writers/bloggers.

The universe is at least thirteen billion years old. Whites came to be and evolved according to the eternal forces of the universe (nature) in these billions of years. It is a process and it is described. Nature is an eternally regenerative, determinative force. The biological is perpetual renewal. What must be can and will only come from the eternal forces (nature) and White characteristics evolved according to the eternal forces and never from the jewing Christianity or any other mockery of eternal truth.

Whites evolved observing how the world worked and lived according to the way the world worked. Whites also thought that they were force that built today and tomorrow using their knowledge of how the world worked. Whites were incessantly striving to make daily life and their civilization better. The characteristics of truth, honesty, responsibility, accountability, contribution-

benefit evolved in Whites because these characteristics contributed to individual and civilizational fitness. Whites are serious-minded, practical, and no nonsense. White civilizations are homogeneous civilizations of intrinsic equals—not master and slave, not perpetuating elites and not perpetuating serfs. Living according to the eternal forces (nature), living in exclusively White space, equality of person, contribution, benefit, responsibility, accountability are central in Whites.

White Biological Entity evolved in homogeneous, cooperating groups united by common ties living according to the eternal forces and White Biological Entity. Only in such a setting can Whites be fully living life. For the 98% of Whites, normal Whites, jewing gulags are torture chambers.

Jewing gulags are criminal and marauding operations. Money that is earned by Whites is taken from them, and ideas that are destructive of Whites and White civilizations are endlessly implemented. Taking Jews out of the equation is a world of benefit for Whites and an necessity for White civilizations to survive and prosper.

The United States is conquered and controlled and being destroyed by Jews, other invaders, and traitorous Whites. The United States is a jewing gulag. Canada, Germany, and other White civilizations are in the same predicament. What has to be done by Americans has to be done by Canadians, Germans, and other Whites. Whites living cattle-ized is self-immolation. Whites being force according to nature and the evolved characteristics of White Biological Entity is White normalcy. It is also Resumption. If Whites erupt their normalcy (perform), jews and the jewing structure will cease to be, and the White structure Resumption will be reinstated.

Decades ago, an American warrior said: "I don't trust leaders; they never deliver what they promise." Exactly. What has to be done has to be clearly laid out. Warriors know what they are fighting for upfront, and what Whites are fighting for is perpetual. RESUMPTION, RESUMPTION FOREVERMORE solves these problems for it outlines what is to be and has to *be*, never changes, and leaders that deviate from RESUMPTION, RESUMPTION FOREVERMORE are removed and dealt with for their nefarious conduct.

The document of Resumption is RESUMPTION, RESUMPTION FOREVERMORE. White men know what they are fighting for upfront, what is fought for never changes for it is of nature and the evolved characteristics of White Biological Entity, and those that deliver the warrior messages form the Protector and Administrator Class and are the ones to run the Resumption civilization from generation to generation.

Now that the document RESUMPTION, RESUMPTION FOREVERMORE is known, American warriors will be delivering countless warrior messages as will Canadian warriors, German warriors, and White warriors in other White civilizations. The eruption of normalcy across the White world will see countless White men coming out of nowhere, delivering warrior messages, and going back to nowhere. Resumption is warriors earning warrior messages, and warrior messages are redeemed when warriors across a White civilization come together to form their Resumption government after the jewing gulag has been destroyed. The value of warrior messages determines the warrior's place in their coming Resumption civilization. Jews, other invaders, traitors, and ZOG have value going forward only as warrior messages.

Whites being conquered and controlled has not changed Whites into cattle. Jewing gulags have forced Whites to function as cattle, but jewing gulags have not changed Whites into cattle. Living beings are their biology. Living being's biological entity is wired. Whites are not cattle. Whites are force according to the eternal forces and the evolved characteristics of White Biological Entity. White men are the warriors on the planet. Normal White men are latent volcanos that can erupt at any time and exterminate Jews and White traitors and destroy today's jewing gulags and install Resumption. The only issue is the individual White male going to erupt White Biological Entity that is suppressed in today's criminal control and criminality structure, jewing gulags, and destroy the jewing gulags once and for all and install Resumption in White civilizations, or is the individual White going to cuck in this time of the evolutionary move Resumption?

As in the stories from folklore: "Men of the realm, kill the traitorous king and the traitorous lords and the invader Jews, and the wealth cornered by the traitorous king and the traitorous lords and the invader Jews shall be yours, and all the evils you now endure will be banished. And the men of the realm rose up and killed the traitorous king and the traitorous lords and the invader Jews, and the men of the realm banished all that was of criminal control and criminality and put in its place Resumption. And all of the realm lived secure, prosperous, and fulfilling lives ever after."

Resumption is an evolutionary move. In Resumption civilizations there is a Protector and Administrator Class and a Commerce Class. The Protector and Administrator Class is composed 90% of those Whites that delivered the warrior messages that destroyed today's jewing gulags and installed RESUMPTION, RESUMPTION FOREVERMORE and 10% of writers/bloggers of Resumption. Everyone else is in the Commerce Class.

There is greatness in the individual White. Whites that did not exhibit greatness (the aristocratic ideal) in pre-recorded history in the harsh Northern climates would not have survived into modern times. Every normal White is the embodiment of the aristocratic (greatness) ideal and is a force for the aristocratic ideal. The aristocratic ideal serves the individual White and his loved ones and his civilization. The embodiment of the aristocratic ideal is Resumption. Every White must live as a functional of Resumption and a force core for Resumption. A Resumption civilization is the only way Whites can survive and prosper.

Whites evolved characteristics over time to live better with other Whites and to live in a more secure and prosperous civilization. Every White is loyal to his civilization, contributes to his civilization, and benefits from being a loyal and functioning part of his civilization.

A warrior in White Tradition is performance, comradeship in warrior cohorts, and living the ecstasy that nature provides to warriors. Warriors are about participating in successful operations, achieving victory, and coming home to loved ones and living all their days honored and loved in the Resumption civilization they helped put in place and are passing on to the next generation. If heroic sacrifice (warrior death) befalls a particular warrior, fellow warriors ensure that a fallen warrior's wife and children are provided for.

In the White world in the twentieth and twenty-first centuries, there has been one dominant and controlling criminal control and criminalities structure and that is jewing gulag. Jewing gulag has been implemented either under Communism or Capitalism by an invasive Jewish cabal.

The organization of White civilizations in recorded history, perpetuating invasive entities along with perpetuating criminal control and criminality structures and the cattle-ization of the body of Whites, must never have a place going forward and must never be able to conquer and control Whites and White civilizations again. Resumption reinstalls the structure of pre-recorded history local control according to the eternal forces and the evolved characteristics of White Biological Entity along with a perpetuating 90% warriors and 10% writers/bloggers Protector and Administrator Class that reselects leaders and administrators among its ranks across a White civilization in a step process from the local, to the county, to the state, to the national level every four years.

In White tradition, warriors know, protect, and implement Resumption. Warriors live an eternal code of loyalty and performance to the civilization. Warriors police themselves. Warriors are a Protector and Administrator Class. For warriors to do what warriors of Resumption must do, warriors must be financially independent, and the warrior class and the financial independence

of warriors continue from father to son to son perpetually provided that the warrior performs according to the warrior code of loyalty and performance. The impoverishment of people in control positions leads to the corruption of those in controlling positions and so the subversion of White civilizations. Financial independence of the Protector and Administrator Class is a given in Resumption. If an individual warrior does not perform according to the warrior code, fellow warriors remove the malevolent warrior from the body of warriors. The document RESUMPTION, RESUMPTION FOREVERMORE defining, financial independence of the Protector and Administrator Class, warriors policing themselves, and a generation-to-generation continuance of the Protector and Administrator Class ensure that what is done to install Resumption and is necessary for Resumption to function continue.

When Whites are in structures that enable Whites to perform, Whites perform admirably. Germany in the twenties and early thirties was a jewing gulag—a jewing hellhole as are the United States, Canada, and other White civilizations today. There were a million suicides a year, and the jails were overflowing. A government of, by, and for Germans and the German civilization came to power in January 1933. This German government shut down Jewish banking, removed Jews from positions of control, removed what the Jews had put in place, and ran their German civilization according to the eternal forces. The jails went from overflowing to virtually empty. Germans were no longer committing suicide but embracing living in a civilization that was run according to the iron laws of nature and the evolved characteristics of White Biological Entity and not jewing gulag. In the space of a few years, Germany led the world in cutting-edge science, ecology, education, fashion, health care, highways (autobahn), manufacturing, medicine, movies. The quality of life of this time has never been equaled. Living is to be secure and fulfilling for Whites. Jewing gulag is not. Jewing gulag is destructive of Whites and White civilizations and against White normalcy. It is also just downright unpleasant. Normal Whites look around their jewing gulag and see Whites on drugs and Whites being shiftless and they feel the malaise that jewing generates and typically think that fellow Whites have degenerated into nothing and all is lost. Such is not the case. Normalcy for a White is being a functional of Resumption. The destructive conduct of Whites is overwhelmingly the result of the conditions that the jewing gulag and the criminality structure of recorded history have implemented. Remove jewing and the criminality structure of recorded history and replace with Resumption and things turn around in short order.

In 1932:

- the unemployment rate in Germany was 30.1%,
- the unemployment rate in the United States was 24.9%,
- the unemployment rate in Britain was 22.1%.

In 1938:

- the unemployment rate in Germany was 2.1%.
- the unemployment rate in the jewing gulag United States was 19.8%, Franklin Delano Roosevelt became President of the United States in March 1933. Franklin Delano Roosevelt was in the pocket of the Jews.
- The unemployment rate in the jewing gulag Britain was 12.9%.

When jewing gulags control White civilizations, it's a jewing kind of life—the jewing brand of conquered and controlled. When Whites live according to the iron laws of nature (the eternal forces) and the evolved characteristics of their White Biological Entity in their homogeneous White civilizations, it's a White kind of life—a White normalcy kind of life. Whites living Resumption are continually receiving White normalcy, a continual high without drugs, and not receiving the depressiveness of jewing along with economic and social benefits that Whites do not receive under jewing but do receive under Resumption.

Warriors are male. Warriors are determined by their warrior messages in destroying the jewing gulag and reinstalling a Resumption civilization. A warrior message is a physical act that destroys Jews, other invaders, traitors, the jewing structure. Warriors are economically rewarded as well as being socially rewarded by being of the Warrior and Administrator Class. There are two levels of remuneration: warrior slices and warrior franchises. Both require a level of performance. Payments will be in properties and businesses and other assets that had been in the possession of the invader Jews, traitors, and other invaders, and annual payments.

- Warrior slices: payments to warriors and writers/bloggers based on what they did in destroying the jewing gulag and those of the jewing gulag and implementing Resumption. Warrior slices do not pass from generation to generation. Like warrior franchises, warrior slices vary in financial value based on the difference in warrior performance. Warrior slices are allotted at the ratio of 90% for warriors and 10% for writers/bloggers. Payments that are in properties and business and other assets are made in the early years of the installation of Reumption. Payments that are cash can be made over a longer span.
- Warrior franchises: annual payments of sufficient value to make one warrior or one writer/blogger financially independent. This is in addition to payments in properties and businesses and other assets. In 2020 dollars, a warrior franchise is \$200,000.00 annually. The warrior franchise is kept intact and passed to the next generation so that the

next generation is financially independent. This continues in perpetuity contingent on performance according to the warrior code. Warrior franchises are allotted at the ratio of 90% for warriors and 10% for writers/bloggers. Warriors pass their warrior franchises to their natural children. In the cases where warriors don't have natural children, warriors can pass their warrior franchises to blood relatives to a total of three blood relatives. If a warrior has one warrior franchise and three children, the warrior passes his one warrior franchise to one of his three children. If the warrior with one warrior franchise has no natural children, the warrior passes his one warrior franchise to one blood relative.

The American warrior who didn't trust leaders also said: "Rich Whites have no loyalty to their race, and they exploit the non-rich. The only way that you are going to get them out of the system is to kill them." Rich Whites (elite Whites) have shown themselves to be biological freaks that are traitorous of their White civilization and contemptuous of non-elite Whites. The installation of Resumption is an evolutionary move. While American warriors are in the process of destroying today's jewing gulag and reinstalling Resumption, traitorous elite and traitorous non-elite Whites have a one-time opportunity to undo their treasonous acts and be part of the coming Resumption civilization. Only what is done before the reinstallation of Resumption civilizations counts. Continuing to be a traitorous White in this time of the evolutionary move Resumption is self-inflicting a death sentence.

Whites from the earliest days understood that the world is a certain way, and must understand and apply the immutable laws that govern their existence, and must work and build lives founded on the eternal forces for themselves. At the same time, today Whites spend their lives conquered and controlled, not living their biology, not knowing their biology, and enduring difficult lives that are destroying them instead of being forces of functional Resumption.

Every White is the unchanging biological foundation of his civilization and is the perpetual force of his civilization according to the eternal forces and the evolved characteristics of his homogeneous civilization. What recorded history did was destroy this knowledge in individual Whites. Whites became cattle-ized. Whites live what the criminal control and criminality elite structure imposes. This document RESUMPTION, RESUMPTION FOREVERMORE restores to Whites knowledge that criminal control and criminality structures has removed from Whites.

Commented [FC1]:

Traitorous Whites are responsible and accountable. If there is full undoing by traitorous Whites, and only if there is full undoing, can traitorous Whites and their families be part of the coming Resumption civilization. Warrior messages are calculated in the undoing of treasonous acts. If an individual White is part of a traitorous family, it would behoove the individual White to be of undoing the treasonous of his family and so have a place in the coming Resumption civilization. Treason by a White causes the loss of rights, confiscation of all assets, and permanent removal from the civilization along with their family. The family of traitors refers to the spouses, children, and grandchildren of traitors. The family of traitors does not refer to the parents, brothers, sisters, and relatives of traitors. The time frame for undoing treasonous conduct and so be part of the coming Resumption civilization ends when a substantial number of local Resumption governments are in place.

Implementing what the eternal forces and White Biological Entity compel and not allowing anything counter to the eternal forces and White Biological Entity are imperatives in White civilizations.

Warriors and writers/bloggers can earn more than one warrior franchise. The total value of individual warrior messages determines the number of warrior franchises. One warrior franchise is one vote in the selection process for selecting rulers for the next four years. Leaders emerge from among the warriors and writers/bloggers. Warriors and writers/bloggers only come together and form the government after Jews, other invaders, and traitors have been destroyed. Warriors embedded in ZOG combine with warriors outside of ZOG to form Resumption governments at the local, county, state, and national levels.

Warrior messages continue until all Jews and traitors are exterminated, and all invaders have been removed. At that point, the tallying of warrior messages is done. The countless warrior messages by countless warriors are recognized and compensated in proportion to what each warrior message contributed to the installation of Resumption in the civilization. There is one national standard for evaluating warrior messages. If a warrior falls in battle, his share is distributed among his natural children. If the warrior has no natural children, his share is distributed among three blood relatives to a total of three. If the warrior has less than three children, then his share is distributed among blood relatives to a total of three. For example, if the warrior has one child, then two blood relatives can be added. If the warrior has two children, then one blood relative can be added. All the male natural children of warriors, regardless of number, can share in warrior franchises and warrior slices to the extent of warrior franchises and warrior slices.

Warrior franchises are never divided up, are not subject to alimony payments, cannot be collateral. Warrior franchises at all times and in all conditions are unencumbered. Warrior franchises pass intact from one generation to the next generation. For example, a warrior has two warrior franchises and three sons. In that case, two sons get a warrior franchise, or one son gets two warrior franchises. If there are no male children, female children of warriors hold warrior franchise status in trust that is passed to her male children, but only male children receive warrior franchise status. A warrior may receive a combination of warrior franchises and warrior slices or maybe only warrior franchises or warrior slices.

Warriors are male. Resumption civilizations are run by 90% male warriors and 10% male writers/bloggers. Writers/bloggers conform to the warrior code. Warriors and male writers/bloggers whose accumulative value of warrior messages is sufficient to make the warrior financially independent, a warrior franchise, run Resumption civilizations. That financial independence is passed intact from one generation to the next generation. The compensation is from payments from the permanent system that will be set up from the confiscation of all assets in the possession of Jews and traitors and invaders. A national tax may also be used to ensure financial independence of those who hold warrior franchises.

Whites who have warrior franchises are to hold jobs during their working years. For example, a warrior has one warrior franchise and receives the yearly payment \$200,000.00 (2020 dollars) from his warrior franchise. This warrior is also a policeman. His pay for being a policeman is \$140,000.00 (2020 dollars) per year. A policeman is a warrior protecting the civilization just as the military is. As such, police and the military receive premium wages. This warrior decides that he can live on the \$200,000.00 and opts out of working as a policeman for the year. Since the warrior was not in employment for the year, the \$200,000.00 is not paid for that year.

In 2020 dollars a warrior franchise is \$200,000.00 annually. Holders of warrior franchises are to work primarily in government, either in a civilian capacity or a military capacity. Wages, but not benefits, for jobs in government work against the \$200,000.00. For example, a holder of a warrior franchise is paid \$100,000.00 in wages and \$30,000.00 in benefits working for either the local, county, state, or national government. That holder of the warrior franchise will see the \$100,000.00 deposited in the fund that pays warrior franchises. The holder of the warrior franchise

receives the \$30,000.00 in benefits and the annual \$200,000.00 from the fund that pays warrior franchises.

If the wages for the job were \$300,000.00, that holder of the warrior franchise will receive \$200,000.00 from the fund that pays warrior franchises and would have \$200,000.00 of the \$300,000.00 deposited in the fund that pays warrior franchises. The amount above \$200,000.00, which is \$100,000.00, would be paid directly by the employer to the holder of the \$300,000.00 job. The holder of the \$300,000.00 job would also receive all benefits associated with the job.

If the holder of a warrior franchise works in a non-government job in a particular year, renumeration in a non-government job uses the same formula as renumeration in a government job.

Some warriors and writers/bloggers will earn multiple warrior franchises—two or ten or any other number. Each warrior franchise is worth one vote when warriors and writers/bloggers with warrior franchises meet to select officeholders at the local, county, state, and national level every four years. For example, two warriors each receive enough warrior franchises to make four male children the possessors of one warrior franchise each. One warrior has four sons and allots a warrior franchise to each of his four sons. Another warrior has one son and allots his four warrior franchises to his one son. In cases where those with warrior franchises vote, the sons of the man who had four sons each has one vote, and the son of the man with one son has four votes. In the next generation the holders of one warrior franchise will pass that warrior franchise to one son, or if there is a daughter, the warrior can pass the warrior franchise to the daughter who holds the warrior franchise in trust to which she must bequeath to a son. If the holder of four warrior franchises has two sons, he can pass two warrior franchises to each son, or three warrior franchises to one son and one warrior franchise to the other son, or four warrior franchises to one son and no warrior franchises to the other son. The passing of warrior franchises among blood relatives follows the same rules as the passing of warrior franchises to natural children.

White performance destroys today's jewing gulags and installs Resumption. White non-performance enables more jewing and ensures inevitable destruction. When Whites have control and are by themselves and perform, Whites astound and it happens quickly. An example of this is the settling of

the United States. The settling of the United States illustrates what normal Whites are and what normal Whites achieve when there is a structure in place that enables Whites to perform according to what Whites are. Millions of Whites were brought to America as slaves and indentured servants. Criminal control and criminality structures have labelled these people rabble. Millions more Whites came destitute and from the bottom rung of their civilizations. Criminal control and criminality structures have labelled these people rabble. This rabble established tens of thousands of separate and functioning communities across the American continent. These communities cooperated and worked together. There was no criminal elite structure marauding the body of Whites and destroying White civilizations. Resumption is embedded in the biological entity of every normal White. Whites being of Resumption is the eruption of the aristocratic ideal in normal White Biological Entity.

Resumption is coming. The only question is where the individual White wants to position himself in the evolutionary move Resumption. To illustrate, Iowa has opened up for homesteading. If one goes to Iowa and homesteads, that individual will have a rich farm that the next generation can step into. If the individual does not go to Iowa and homestead, then the individual will not have the rich farm and the life that the rich farm enabled. If the individual does not go to Iowa and homestead, someone else will have the rich farm. But the land gets homesteaded. Resumption is the same situation. Resumption is coming. The only issue is where the individual White will position himself in the coming Resumption civilization.

Jews are parasites, invert the eternal forces, and are about destroying Whites and White civilizations. Many tens of millions of Whites have died because of what Jews have instigated in White civilizations. White lives are being destroyed daily by what Jews have set in place. White civilizations are being destroyed by what Jews have put in place. Jews have stolen countless trillions from Whites and White civilizations by control of the government, the money system, media, financialization of economies, drugs, and other endeavors enabled and protected by the criminal control and criminality structures in White civilizations. Eternal-forces imperative and the evolved characteristics of White Biological Entity functionality mandate exterminating Jews down to the last gene. The property in the possession of Jews is confiscated and put in the rightful possession of Whites and White civilizations without payment or remuneration of any kind.

In recorded history, traitorous elite Whites allowed Jews into their White criminal control and criminality structures, protected the Jews, and

partnered with the Jews. Jews have lived as sovereign entities in White criminal control and criminality structures going back to Roman Times and before. If normal Whites in recorded history controlled White civilizations according to nature and the evolved characteristics of White Biological Entity as was the case in the ions before recorded history, there never would have been White criminal control and criminality structures, and there never would have been jewing gulags. The hardships and tragedies that Whites and White civilizations routinely endure would not be.

Whites and White civilizations are distinct entities of the eternal forces and charactersits evolved according to the eternal forces enmeshed in distinct biological and are unique and perpetual force of its unique biological. The foundation of White civilizations is the local, homogeneous White community. A White civilization is a collection of local White communities that function according to Resumption. Every White in a White civilization has to be a force of normalcy (a functional of Resumption). That was the case before recorded history. That is not the case in recorded history. In recorded history, Whites are conquered and controlled where they are driven according to jewing. Whites lack essential truths and mentally do not have a structure of functional normalcy. This has handcuffed Whites. For the first time in recorded history this no longer applies. With the emergence of the internet and other forms of communication that are outside of the control of the jewing gulag, every White can now be a functional of Resumption and must be.

Whites being cattle-ized and not functionals of Resumption are violating the imperative of nature that every White is to be force according to nature (normalcy). Because of technology, every White can know. Whites by action and inaction are either a cattle-ized force (jewing) or a force of nature (Resumption).

When White civilizations are owned and controlled by local Whites living in their local communities according to Resumption, Whites and White civilizations will meet the challenges and opportunities of their time and will propel their local communities and their civilization forward. Never can control be removed from the local group and never can White civilizations be run any other way than according to Resumption.

Warriors know, protect, and implement Resumption. Warriors live an eternal code of loyalty and performance to the civilization. Warriors police themselves. Warriors and a small number of writers/bloggers of Resumption form the Protector and Administrator Class—no more than one writer/blogger of Resumption for every nine warriors of Resumption. Warriors and

writers/bloggers of Resumption are financially independent, and the financial independence continues from father to son to son perpetually provided that the possessor of the warrior franchise performs according to the warrior code. If the possessor of the warrior franchise does not perform according to the warrior code, the body of warrior franchise holders removes the malevolent holder of a warrior franchise from the body of warrior franchise holders. Financial independence, self-policing according to a White warrior code, and a perpetuating structure ensure that what is done to install Resumption and is necessary for Resumption to function is not usurped.

Money is the instrument of commerce and a store of value in White civilizations. Only government can issue money, the money is issued debt-free, and the value of money is kept constant. In White civilizations, private banks cannot issue money. All money generated by Jewish banks issuing money (principal and interest) is theft and has to be paid back.

In the jewing gulag the United States, a Jewish bank The Federal Reserve has a government monopoly to issue all the money. The Federal Reserve issues the money and controls the amount of money. The Federal Reserve is the product of a criminal control and criminality structure of recorded history. The Federal Reserve is a criminality. In a structure of White normalcy, the Federal Reserve would not be.

In White civilizations, all money is issued debt free. All interest collected by the Federal Reserve for its issued money is theft. All interest collected by the Federal Reserve is to be returned in gold on the gold restitution principle. The amount of gold is determined by the price of gold at the time the interest on dollars was paid. For example, an American paid \$1,200.00 in Federal taxes that was used to pay interest on the national debt. The Federal Reserve finances the national debt. Another way of saying this, an American paid \$1,200.00 in Federal taxes that was used to pay interest on the national debt to the Jewish bank that holds the national debt. At the time that the taxes were paid, the price of gold was \$1,200.00 per ounce. That American is to receive one ounce of gold in restitution. The fact that the current price of an ounce of gold may be \$3,000.00 Jewish banking system dollars per ounce or \$30,000.00 Jewish banking system dollars per ounce or any other number is not relevant.

All interest paid for Jewish banking system dollars is to be returned by the Jewish cabal in gold based on the gold restitution principle. All businesses that failed because of interest payments that were made for Jewish banking

system dollars are to be restored. All homes that were foreclosed because of the inability to make interest payments for Jewish banking system dollars are to be returned.

Criminality is not the white way. Criminality is the Jewish way; criminality is the White biological freak way. The eternal-forces way and the characteristics Whites evolved over ions living according to the eternal forces is the White way. Nature rules—not jewing. At the end of the day, nature and those that live according to nature are standing tall, and jewing and those of jewing have been destroyed for the only path forward for Whites is Resumption. Every White is to be a functional of Resumption for survival and benefit.

Resumption:

- Only Whites compose White civilizations.
- Only Whites have residence in White civilizations.
- Only Whites work in White civilizations. Whites do their own work. Whites honor work and those that do the work. White labor built the United States.
- Every job pays a daddy wage. If a job is done, it pays a daddy wage. One job will provide a daddy wage. Another job will command more than a daddy wage. Whites must bring the requisite skills to the job and must perform on the job and must regularly show up for the job. If the White hasn't acquired skills or does not perform on the job or does not regularly show up for the job, that person will not have a job. There is no welfare.
- Daddy is protector, provider, and head of the family. Daddy wage for men. A daddy wage is the amount of money that enables a family to live in their own debt-free home and to raise a family on one wage. A daddy wage is provided either by a job or a business that generates a daddy wage.
If a daddy wage or above a daddy wage is not paid, then the job goes undone. There is no government structure enabling low-wage workers.
- Transition wage for women. Women's jobs are to provide for single women. Women are paid daddy-wages just as men are but a third of their wage is sent to state and national governments as a tax. The remaining two-thirds of the wage is taxed as regular income. This serves as an incentive for women to reject the barrenness and freakishness of jewing inversion of femininity and live a life where she has a female/feminine relationship with her male/masculine husband and their children and a future where her grandchildren are climbing

up on her lap and putting their arms around her and saying "Grandma, I love you." and not a future of living alone with a cat.

- Resumption makes no distinction between jobs. If a job is to be done, it pays a daddy wage. The hourly wage for a day's labor is calculated by dividing the daily daddy wage by 7. The workweek is 35 hours. Over 35 hours is time and a half. There is no such thing as a minimum wage. If a daddy wage can't or won't be paid, then the job goes undone.
- Full employment. Every White has a job or business.
- Leisure time. Time for family and friends and special interests are part of being White as working is part of being White. There is a five-day, thirty-five-hour work week, time and a half for overtime, two-weeks annual vacation, a winter solstice vacation week, and a summer solstice vacation week.
- Free speech is inviolable. Impinging free speech in any authoritarian capacity—lawyer, cop, judge, public official—is a criminal act.
- A White's inalienable right to bear arms is inviolable and in modern terms is the right to have automatic weapons and the means to confront armor and confront air sources such as drones and aircraft. States can have militias.
- The size of a civilization or technology does not change the eternal forces and the evolved characteristics of White Biological Entities ways of running White civilizations. Normal Whites in local communities are the foundation of White civilizations. The size of White civilizations dictates a step process of governance. The election process is repeated every four years. It begins at the local level, to the county level, to the state level, to the national level.
- The property of White civilizations belongs exclusively to the Whites of the civilization. Using the United States as an example, all property in the United States belongs to Americans and only to Americans. Properties in the United States have been quote unquote sold to Jews, other non-Whites, and Whites who are not Americans. These properties have not been sold to them and are not owned by them. All property that is listed as owned by other than Americans such as invader Jews, other non-White invaders, Whites who are not Americans are not owned by them and are confiscated by the Resumption government without payment or compensation of any kind.
- Outsourcing has destroyed the lives of millions of Americans, has destroyed countless companies, and has deindustrialized the United States and other White civilizations. Resumption prohibits the outsourcing of jobs and businesses, requires return of jobs and

businesses, and requires compensation to individual Americans and businesses that were harmed by outsourcing. The individuals and groups that benefited from outsourcing are the ones responsible for restitution. The responsibility of compensation extends to the elected officials, companies, institutions, executives, academics, financiers, lobbyists, journalists, and all others that had any part in removing or advocating for the removal of production from the civilization. There is no writing off. There is only full responsibility and accountability.

- White civilizations are civilizations with a public infrastructure of roads, water, power, education, military.
- Ownership is diffused throughout the civilization. Whites have their own debt-free home. Small and mid-sized businesses abound, are debt-free, and are passed from generation to generation. Using farms to illustrate, large corporate farms have no place and cannot be. Farms are family-owned and operated, debt-free, and are passed from generation to generation.
- Privately-owned businesses of a thousand employees or less are the norm. Large businesses are not allowed to dominate a sector. Large businesses that dominate sectors are broken up into sectors that can be broken up such as farms. Businesses that require large numbers of employees such as aircraft production are to be sixty percent warrior remuneration pool owned. The other forty percent is stock owned, and the stocks are bought and sold among Americans who do not receive warrior franchises. Sixty percent or more of the boards of directors of these corporations are warriors and writers/bloggers who have warrior franchises.

A warrior remuneration pool is selected amounts of assets that had been in the possession of Jews and other invaders and traitors that has been placed in a perpetuating pool. From this pool, annual warrior franchises are paid. Warrior franchises are annual payments of sufficient value from a warrior remuneration pool to make one warrior or one writer/blogger financially independent. In 2020 dollars, a warrior franchise payment is \$200,000.00 annually. A warrior or a writer/blogger may possess more than one warrior franchise. The warrior franchise is kept intact and passed to the next generation so that the next generation is financially independent. This continues in perpetuity. A portion of national taxes may also form part of the warrior remuneration pool.

- Warriors who receive warrior franchises and their immediate families cannot own stock outside of warrior franchises in companies that are part of warrior franchise funds. Warrior franchises are never touched

by divorce or survivor payments to a spouse, cannot be assigned, cannot be given as collateral, cannot be garnished. At all times warrior franchises are unencumbered and held in perpetuity by the holder of the warrior franchise and his descendants. Warrior franchises are held in perpetuity by descendants of warriors, provided warriors and their descendants perform according to the eternal forces and White Biological Entity. If the warrior or his descendants does not perform according to Resumption, the warrior franchise/s are forfeited.

- An American warrior fighting for fellow Americans and the American civilization succinctly described wealthy Americans decades ago: "Rich Whites (Rich Americans) have no loyalty to their race, and they exploit the non-rich." Rich Whites have been a bludgeon on their fellow Whites and their White civilization when the imperative of nature is that every White is a functional of Resumption. A functional of Resumption is a force of Resumption. Rich Whites must undo their destructive performance. Every White is responsible and accountable.
- Wealth is dispersed among the civilization, and there is a cap on individual wealth. The cap on individual wealth is a hundred million dollars (2020 dollars). Also, Whites worth from fifty million to a hundred million dollars (2020 dollars) must place the management of their wealth in the hands of a board of warriors who receive executive salaries. These boards of directors are composed of those who have warrior franchises, and they receive executive remuneration. The size of these boards of directors is five.
- Traitors are exterminated, and the property in their possession is confiscated without remuneration of any kind.
- Education is regulated at the state level and not at the national level.
- Education through high school is public funded. Education beyond high school that children have the ability for and which provides an economic benefit to the civilization—such as carpenters and engineers—is paid by the civilization and not by parents or children.
- Being a mother is a consuming role that requires being out of the workforce for periods of time. Life expectancy for women is greater than for men, and wives are generally younger than their husbands. This can and often does create financial hardships for mothers in their later years. This is intolerable in Resumption civilizations. There is a non-contributory mothers' pension beginning at age 70 and is based on the number of natural children that the mother had and raised the

children with the father in an intact family. Half of marriages end in divorce. 80% of divorces are initiated by women. When there is a divorce and one parent has custody, nature dictates that custody is awarded to the father. Children from single-mother households are nine times more likely to drop out of high school than children from single-father households. ZOG courts award custody of children to mothers 80% of the time as part of the jewing war on the White family. Economic wellbeing after children are raised is a huge incentive for women and men today to build lasting relationships—which was the rule in times past and is normalcy for Whites. In 2020 dollars, the mothers' pension is \$800 per month per natural child raised living with the natural father.

- Governments control the money system and issue all the money. The money is issued debt-free. The value of money is kept constant. Taking 1913 as a base year, the year that the Jewish bank the Federal Reserve was installed, a \$100 is worth a \$100. In 2013 it takes \$2353.10 to buy what the \$100 bought in 1913. Inflation is not a systemic part of White commerce. Constant value is a systemic part of White commerce. Inflation is a systemic part of the Jewish banking system.
- No fractional reserve banking. Only the national government creates money.

White genius has created a modern technology and the infrastructure that enables Whites to know the truth and to communicate with fellow Whites that wasn't possible in the entire period of recorded history until the 1990s. Jews and traitorous Whites no longer control what Whites know. Whites can now know truth. Truth is the unchangeable and necessary engine of White life. Whites across the White world can know RESUMPTION, RESUMPTION FOREVERMORE. RESUMPTION, RESUMPTION FOREVERMORE is essential truth.

Now that Resumption is known, White guys will do astounding things in implementing the document RESUMPTION, RESUMPTION FOREVERMORE. White civilizations have an abundance of competent and resourceful Whites who will do astounding things in destroying jewing gulags, Jews, other invaders, traitors, and installing Resumption and in running Resumption civilizations in the United States, Canada, Germany, and other White civilizations.

Nature's way is abilities are transmitted from generation to generation, and exceptional abilities arise generationally but typically don't pass

generationally. White civilizations are egalitarian. The best in the group in the generation is the leader for the generation. This is the evolved White way. Capable Whites abound. Leaders will emerge across the White world in this time of the evolutionary move Resumption. If every traitorous American was exterminated, every Jew exterminated, and every invader gone, capable and loyal Americans would run a Resumption civilization that would provide secure, prosperous, and fulfilling lives for Americans that living in today's jewing gulag is unimaginable.

Whites and their civilizations are a combination of eternal-forces and characteristics evolved according to the eternal forces. White civilizations are Resumption civilizations and can only be Resumption civilizations. The problem for the United States, Canada, Germany, and other White civilizations is that today they are jewing gulags, conquered and controlled criminal control and criminality structures of recorded history and not eternal-forces and characteristics evolved according to the eternal forces. To survive and prosper, Whites must reinstate Resumption. Whites must again be the force of normalcy (functionals of Resumption) and live the force of normalcy.

To be alive is to have a biological core and be force of that biological core. In recorded history, Whites are not force according to their biological core. This is causing the difficult conditions in the United States and other White civilizations and will be fatal if continued.

In Resumption, officeholders are male and are from the Warrior and Administrator Class. Because of the size of White civilizations, there is a step process of governance that is repeated every four years. Using the United States as an example, there is one United States. Within that United States, power and control reside in the local areas as much as possible, then counties, then states, then the national level. There is a national government that performs defined roles. What is not assigned to the national government is done at the state, county, and local levels. National defense is a national responsibility. At the same time states may also have militias and can possess state-of-the-art weaponry. The right to bear arms is inviolable and in modern terms is the right to have automatic weapons and the means to confront armor and air sources.

Using the United States as an example, the organization of government at the local, county, state, and national levels will remain. What will change is a governing structure that is Resumption and not jewing gulags. Conventions of warriors and writers/bloggers with warrior franchises in local areas,

counties, and states will select individuals from their ranks for what are now elected positions in government all the way from the local level to the national level every four years. For any elected office, those who hold warrior franchises in the jurisdiction for an elected office may recall the elected official in that jurisdiction by a 75% vote if the need arises—subject to the exception that the governor of a state or the president cannot be recalled by his jurisdiction in the time that he is governor or president. A governor can be recalled by a 75% vote of the State Assembly. A president can be recalled by a 75% vote of the National Assembly.

Those filling elected positions receive executive remuneration and not what was paid in 2020 for the holders of these positions. Elected officials choose their staffs. Staffs of what are now elected positions may be filled by men or a combination of men and women and do not have to be warriors or come from warrior families.

Local areas are portions of counties. They may be a village, a town, a city, a portion of a city, a rural portion of a county. They are to have boards selected by the warrior franchise holders in the portion of the county.

Each county is to have a County Assembly composed of assembly members who have warrior franchises. The members of the County Assembly select one among them to be the chairman of the County Assembly. The chairman of the County Assembly can be recalled by a 75% vote of the County Assembly. This procedure is to be followed for all what are now elected offices in the county where there is a board composed of members and a chairman of the board. In the case where there are designated offices such as county sheriff, those with warrior franchises determine the officeholder in the jurisdiction. A county officeholder can be removed by a 75% vote of the total warrior franchises in the county. This procedure is followed for all what are now elected offices at the local level and the county level.

In state government, there is the governor and one State Assembly composed of assemblymen instead of a separate House of Representatives and a separate Senate. The assemblymen are chosen from those with warrior franchises in assemblymen districts. An assemblyman can be recalled by a vote of 75% of the warrior franchises in the district. The state is divided into assemblymen districts with each district composed of the same number of warrior franchises, and each district selects one assemblyman. Districts are determined by the number of warrior franchise

holders in the district and not by the population of a given district. The assemblymen select one assemblyman to be governor. While an assemblyman is serving as governor, he cannot be removed by the warrior franchise holders in his district. A governor can be removed by a 75% vote of the assemblymen. State-wide officeholders are chosen by those holding warrior franchises in the state and can be removed by a 75% vote of the warrior franchises in the state.

In the national government, there is the president and one National Assembly instead of a president and a separate House of Representatives and a separate Senate. There is one national standard for determining the number of warrior franchise holders for each seat in the National Assembly. Warrior franchise holders from their respective districts select an assemblyman to sit in the National Assembly, and the National Assembly selects the president from its ranks. 75% of a particular national assembly district may recall their assemblyman if the need arises, with the one caveat that if their assemblyman has been elected president, the assemblyman cannot be recalled by the those with warrior franchises in his district while serving as the president during the present election cycle. The president can be recalled with a 75% vote of the National Assembly.

Courts are at the county level, the state level, and the national level. Courts function according to Resumption and not according to the criminal control and criminalities structure of recorded history. Because of the centuries-long control according to jewing gulags and White criminal gulags before that, all laws are reviewed. Laws that contain jewing and other criminalities are removed. Laws that implement Resumption are installed.

Judges are appointed from the ranks of those with warrior franchises every four years. Judges are male. Judges at the county level are appointed by the County Assembly. Judges at the state level are appointed by the State Assembly. Judges at the national level are appointed by the National Assembly. Judges serve for the term of the appointing assemblies—four years. After four years, the new assemblies at the county, state, and national level choose individual judges. The new assemblies can reappoint existing judges, or they can choose new judges, or there can be a combination of existing judges and new judges. Every judgeship is an individual case. Any judge may be recalled by a 75% vote of the appointing assembly. Judges do not have to be lawyers.

Only laws that serve and further the common good and the White civilization are on the books. The “laws” of the criminal control and criminalities structure are removed. All laws are clearly and simply written.

Litigants tell their own story—not lawyers. Whites understand and talk about what they are involved in. The judge or a court administrator is to explain the legal issues to the litigants before the court proceeding, and only those issues are the subject of the court proceeding.

From the earliest days, Whites’ daily living was abiding by the structure in place that was built in harmony with nature (eternal forces). Everyone knew what the structure was, and was expected to be, a constructive force in the structure. The structure in play was the product of the group understanding nature and conforming to nature and evolving characteristics to live better. Whites understood that they were in nature, that they must live according to nature, that they were the force that built their world. It wasn’t the eternal forces that built and aligned Newgrange with the solstices. It was Whites. Nature provided the building materials and the engineering principles; Whites did the rest. The White way is conformity to immutable principles and continual development. Whites who are implementors of jewing are destroyed. Only normal Whites, Whites of Resumption, are in White civilizations. Nature’s way is to wash from the group those in the group that are destructive of the group.

Resumption removes jewing from every aspect of life in the United States and other White civilizations. Jewing has infected the political, social, scientific, economic, entertainment, academic, and religious in White civilizations. To be of truth all these areas have to be redone in a structure of truth. For Whites going forward, Whites construct product for the political, social, scientific, economic, entertainment, academic, and religious according to the eternal forces and White Biological Entity.

White Biological Entity evolved according to the eternal forces. Whites are born with an evolved package of White-specific physical characteristics, White-specific mental characteristics, White-specific emotional characteristics, and White-specific innate knowledge. The social, cultural, political, economic spring from an inner source. Whites grasp realities and ideas by using their mental characteristics, emotional characteristics, and innate knowledge embedded in their White Biological Entity. Whites evolved figuring things out according to the way that the world works and getting

things done. What has interfered and severely crippled White functional normalcy is the conquered and controlled structures that Whites have been living under in the period of recorded history. However, Whites feel the angst being engulfed in jewing. It is not that Whites are resigned to their condition. It's very different. Functional Whites understand that systemic changes have to be made and are preparing to make them in this time of the evolutionary move Resumption.

Jews are not White. Jews are invaders in White civilizations. The eternal forces mandate Jews be removed from White civilizations. Biologically, Jews are parasites and invert the eternal forces. Jews are whirlwinds of destruction wherever they have presence. World Jewry is a global jewing cabal that needs and today has recorded history criminal control and criminality structures of governance to function. World Jewry has conquered the United States, Canada, Germany, and other White civilizations.

Because of jewing and the criminal control and criminality structures in White civilizations, jewing and other criminalities infect all aspects of White civilizations. From the position of addressing the current situation and reinstalling Resumption, this is a good thing. Jewing is counter to the eternal forces, to what Whites are, and to what Whites have to be. There is nothing to reform. Every aspect of jewing along with White criminalities are to be removed from White civilizations, and what is according to nature and White Biological Entity (Resumption) is to be installed. It is for Whites to erupt their biological entity, destroy the jewing gulags that have conquered and control them, and reinstall Resumption.

Every White is the keeper of his civilization and the force of his civilization. Every normal White has a core that works according to the eternal forces and the evolved characteristics of White Biological Entity. Every normal White is the embodiment of Resumption. White civilizations are conquered civilizations where jewing is imposed on the civilizations and the Whites of the civilizations. The United States and civilizations across the White world are jewing gulags. Succumbed to jewing is living cattle-ized. Living cattle-ized is self-immolation. It does not have to be this way. If Whites erupt the eternal forces embedded in their White Biological Entity and erupt the evolved characteristics of their White Biological Entity and perform according to Resumption, jewing and Jews and the jewing world that Jews have inflicted on Whites and White civilizations will be destroyed, and Resumption will come to be. The nightmare of criminal control and criminality structures

that have controlled and marauded Whites and the White world since the inception of recorded history will be no more.

END CHAPTER 3: RESUMPTION

DEFINITIONS

Americans: those whose DNA is exclusively from the native peoples of Europe from Ireland to Russia.

Criminal: what is counter to Resumption.

Criminal control and criminality structures are the structures of governance in the White world in the period of recorded history. First it was White criminal control and criminality structures, and now it is jewing gulag criminal control and criminality structure. Jewing gulag criminal control and criminality structures are administered through the political structure democracy as demonstrated in the United States and Britain and other White civilizations.

Daddy-wage job: a wage that enables a family to live in their own debt-free home and raise a family on one wage. A daddy wage is provided either by a job or a business that generates a daddy wage.

Eforcesist (e-forces-ist): one who lives according to the eternal forces of the universe. The eternal forces of the universe are the determining forces of the universe.

Eternal forces: the laws that govern the universe. Another term for eternal forces is nature. To emphasize that things are always nature and never not nature, the term the iron laws of nature is sometimes used.

Europeans: those whose DNA is exclusively from the native peoples of Europe from Ireland to Russia.

Gold restitution principle: an American pays \$1200 in taxes that was used to pay interest on the national government borrowing Jewish banking system dollars from the Jewish banking system. Only governments issue money. Anything else is theft that must be returned. At the time that the taxes were paid, the price of gold was \$1200 per ounce. That American is to receive one ounce of gold in restitution. The fact that the current price of an ounce of gold may be \$3,000.00 Jewish banking system dollars or \$30,000.00 Jewish banking system dollars or any other number is not relevant.

Jewring: operational Jewish Biological Entity.

Jewring is Jews saying and doing anything to control and exploit and destroy non-Jews. Jewring is that Jews are to rule the world. Jewring is all non-Jews are sub-human whose only reason for existence is to serve Jews.

Jewring is the world works according to the way that the Jews decree that the world works and not the iron laws of nature. Jewish Biological Entity has injected laundry lists of isms, phobias, inversions of the eternal forces, subversions of the eternal forces into the United States and other White civilizations that not only have no merit but are destructive of Whites and White civilizations. They are criminal assaults on the person of every White and is a war of destruction on White civilizations.

Jewring is controlling the thinking, the narrative, and the performance of White civilizations according to jewring. Jewring is parasitizing, false statements, misleading statements, statements at odds with the eternal forces, false analogies, inverting, stealing, suppression of truth, obfuscation, libeling, slandering. Factual statements are misleading in certain contexts and so, at times, are part of jewring. Irrelevant statements are misleading and so are part of jewring.

Jewring is a one-word description of what Jews are and what Jews do.

Jewring gulags: Jews control and run White civilizations according to jewring aided by treasonous Whites.

Jewish Biological Entity: what Jews are and what Jews do.

National Assembly: one United States National Assembly instead of a separate United States House of Representatives and a separate United States Senate.

Resumption: the reestablishment of the functioning of the eternal forces and the evolved characteristics of White Biological Entity in Whites and White civilizations.

State Assembly: one State Assembly instead of a separate State House of Representatives and a separate State Senate.

Warrior franchise: annual payments of sufficient value to make one warrior or one writer/blogger financially independent. In 2020 dollars, a warrior franchise is \$200,000.00 annually. A warrior may earn multiple warrior franchises in this time of the evolutionary move Resumption that destroys the jewring gulags in the United States, Canada, Germany, and other White

civilizations and installs RESUMPTION, RESUMPTION FOREVERMORE in the United States, Canada, Germany, and other White civilizations. Warrior franchises are kept intact and passed to the next generation so that the next generation is financially independent. This continues in perpetuity. Warrior franchises are allotted at the ratio of 90% for warriors and 10% for writers/bloggers. Warriors who receive warrior franchises may or may not also receive warrior slices.

Warrior message: physical act that destroys Jews, other invaders, traitors, ZOG.

Warrior slice: payments to warriors and writers/bloggers based on what they did in destroying jewing gulags and installing Resumption. Payments may be in property, stock, cash. These are awarded in the early days of the restoration of Resumption. Warrior slices are allotted at the ratio of 90% for warriors and 10% for writers/bloggers.

White Biological Entity: what Whites are made of—the eternal forces and the characteristics Whites evolved over ions living according to the eternal forces.

White civilization: civilization composed of those whose DNA is exclusively from the native peoples of Europe from Ireland to Russia.

White criminal gulags: a system of running White civilizations instituted in the period of recorded history that is counter to nature and White Biological Entity and so destructive of Whites and White civilizations. White criminal gulags are entrenched, perpetuating, controlling elites, marginalization and exploitation of nonelites, criminalities instead of according to the eternal forces and White Biological Entity. Before the period of recorded history, the system of running White civilizations was Resumption. White criminal gulags were instituted in White civilizations in the period of recorded history by force by White criminals. White criminal gulags were the precursors to today's jewing gulags in the United States, Canada, Germany, and other White civilizations.

Whites: those whose DNA is exclusively from the native peoples of Europe from Ireland to Russia.

World War of Jewish Biology: Second World War. The descriptive term for the Second World War is the World War of Jewish Biology. Virtually every White death in the World War of Jewish Biology—American dead, Russian

dead, German dead, and the millions of other White dead—was murder by Jews being what Jews are.

- In 1917 in Russia, Jewish money from New York and a cadre of Jews from New York and Jews in Russia and a few non-Jews overthrew the Russian government and setup a communist government Union of Soviet Socialist Republics (USSR). In 1919, out of 388 members of the communist central committee (legislature), 16 were Russians, 1 was black from the United States, and the rest were Jews.
- In the twenties and early thirties Germany was a Jewish conquered and controlled civilization and a jewing hellhole as are the United States, Canada, and Britain today.
